

Ride On Montgomery County Transit Notice of Public Forum On Proposed Service Change

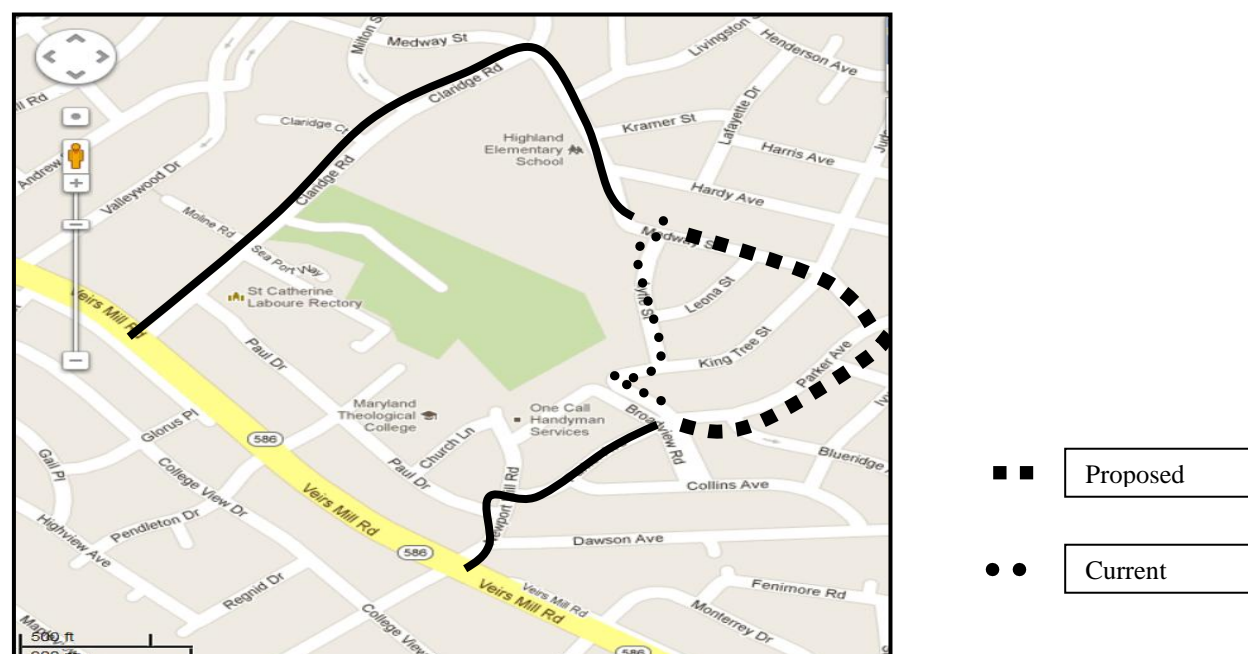

Montgomery County hereby notifies the general public and other interested parties that a public forum will be held on Wednesday, April 17, 2013 starting at 6:30 p.m. and ending after the last speaker at the Highland Elementary School, located at 3100 Medway Street, Silver Spring, Maryland. In the case of inclement weather, the public forum will be held on April 18, 2013.

Ride On is a community-oriented transportation service, providing convenient and accessible public transportation service to the residents of Montgomery County. It is our continued goal to provide the best transit service possible. In recent weeks, we have received comments regarding service within your community. In our effort to address these concerns a public forum is being held to propose a slight revision to the current routing.

Route 38

The current routing operates from Wheaton Station to White Flint Station via service through Connecticut Avenue Estates and Montclair Manor communities. This route continues along Veirs Mill Road, Newport Mill Road, Parker Avenue, Broadview Street, Lytle Street, Medway Street and Claridge Road. The revised proposed routing continues along Parker Avenue, Judson Road, Medway Street and Claridge Road. Please see the map below.

For additional information prior to the public forum regarding these proposed changes, please access the Ride On web site at www.rideonbus.com and click "Transit Updates".

Individuals and representatives of organizations who would like to speak at the public forum are requested to furnish in writing, on or before April 15, 2013, their name, home address, telephone number, e-mail address and organization to Division of Transit Services, Ride On Public Forum, 101 Monroe Street, 5th Floor, Rockville, Maryland 20850. Individuals who have signed up to speak must bring two (2) printed copies of their testimony for the record. Sign language interpreter services will be provided only upon request with notice as far in advance as possible but not less than three (3) business days prior to the date of the forum. Large print format is available upon request. All comments, including alternatives, will be considered before any changes are finalized.

Comments may be written, faxed or e-mailed on the proposed service changes and reductions to the Division of Transit Services by 5:00 p.m. April 24, 2013. Send your comments to:
